

Microbiology Classes to be offered for Major Requirements

Refer to <http://www.reg.uga.edu/schedule-of-classes> for class updates on available days/times.

Please Note: Course offerings are subject to change due to budgetary restrictions or other contingencies. No class or section will be continued or offered if the enrollment does not meet minimum University requirements at the end of the registration period. A minimum enrollment of ten students in undergraduate sections and five students in graduate sections is required unless prior written authorization has been received from the Office of the Vice President for Instruction.

Courses offered every semester:

*MIBO 3500 – (3hrs) Introductory Microbiology
Only available online in the summer – Pending approval.

MIBO 3510L – (3hrs) Introductory Micro Lab
MIBO 4960H/70H – (4hrs) Honors Research
MIBO 4900L – (4hrs) Directed Research

Courses offered Fall & Spring only:

MIBO 4090 – (3hrs) Prokaryotic Biology
MIBO (IDIS)(CBIO) – (3hrs) 4100 Immunology

Spring 2016

MIBO 3501H – (1hr) Introductory Microbiology Honors Seminar

EHSC (FDST)(MIBO) 4310/L – (4hrs) Environmental Microbiology

FDST(MIBO) 4120/L – (3hrs) Food Fermentations

MIBO (POPH) 4220S – (3hrs) Pathogenic Bacteriology

MIBO 4500 – (3hrs) Bacterial Symbioses

MIBO 4600L – (4hrs) Experimental Microbiology Laboratory

POPH (MIBO) 4651 – (3hrs) RNA Virus Genomic Diversity

Fall 2016

MIBO 4600L – (4hrs) Experimental Microbiology Laboratory

MIBO 4680 – (4hrs) Industrial Microbiology & Biotechnology

MIBO 4700 – (3hrs) Medical Mycology

POPH (MIBO)(IDIS) 4450/L – (4hrs) Microbial Genetics & Genomics

POPH (MIBO)(IDIS) 4650 – (3hrs) Introduction to Virology

Spring 2017

MIBO 3501H – (1hr) Introductory Microbiology Honors Seminar

EHSC (FDST)(MIBO) 4310/L – (4hrs) Environmental Microbiology

FDST(MIBO) 4120/L – (3hrs) Food Fermentations

MIBO (POPH) 4220S – (3hrs) Pathogenic Bacteriology

Fall 2017

MARS(MIBO) 4620 -- (3hrs) Microbial Ecology

MIBO 4600L – (4hrs) Experimental Microbiology Laboratory

MIBO 4680 – (4hrs) Industrial Microbiology & Biotechnology

MIBO 4700 – (3hrs) Medical Mycology

POPH (MIBO)(IDIS) 4450/L – (4hrs) Microbial Genetics & Genomics

POPH (MIBO)(IDIS) 4650 – (3hrs) Introduction to Virology
